AGENDA

I. Call to Order

II. Roll Call

III. Fiscal Year (FY) 2016-17 Community Development Block Grant (CDBG) Physical Improvements and HOME Funding Requests

Summary: The Chairperson will discuss the role of the Community Development Advisory Committee. The Community Services Director will make opening remarks, followed by the Community Revitalization Manager who will give a brief financial summary of the projected federal funding available for FY 2016-17.

Twelve (12) agencies who submitted CDBG Physical Improvements activities and two (2) HOME funding requests will be presenting this evening. Because of the large number of applications received, presenters will be asked to limit their remarks to no more than four (4) minutes.

Recommendation: For the Committee's review.

IV. Amendment to Current Contract with ACAA for Additional Funds

Summary: This is a request for the CDAC to approve Amendment No. 1 to an existing agreement with the Arizona Community Action Association (ACAA) to accept \$13,235 in Community Action Program (CAP) funding. If approved by CDAC and subsequently by the City Council on January 26, 2016, these additional funds will allow staff to assist approximately 80 more Glendale residents with direct utility assistance. This is significant in that many of the individuals seeking such assistance must often make the difficult choice of whether to use their limited resources on sustenance or basic shelter. The additional utility assistance funds will provide immediate relief to those who are striving to become self-sufficient.

V. Public Comment

Summary: The Committee will solicit public comment on the FY 2016-17 funding recommendations.
